10 Things We Can Learn From Superheroes

HWDSB Launches Parent Voice Survey to Gather Input for Improvement

Parent Voice Survey to share. Parents, guardians and caregivers play an important role in HWDSB and we value your opinion. Your feedback helps us make decisions about how we deliver school services for students.

HWDSB has made a commitment to partner with its parent/guardian and caregiver communities, and to work together to help students learn and grow to their full potential. This survey should take no longer than 15 minutes to complete. There are no right or wrong answers. All data collected in this survey is anonymous and combined as a group.

You can find the survey online at <http://bit.ly/HWDSBParentVoice>. Thank you for taking the time for this survey and helping HWDSB with your feedback.
