November 2018

Principal's Message

We will be kicking off our new program to focus on building our character skills at QM. In the month of November we will focus on Courage.

Courage is the strength to do what is right, to stand up for others, to own our mistakes, and to make good choices. Courage is about bravery, humility, and truth. Each month we will honour a different trait and celebrate the achievements of our students who have worked hard to demonstrate their commitment to our school culture through the character traits. Please take time to talk to your kids about the challenges of showing courage, but how doing the right thing makes a better, stronger community.

Nut and Banana Allergies

Our school wants to provide the safest environment possible for students and staff with anaphylaxis (life-threatening allergies). In order to reduce the risk of a life-threatening exposure we need everyone's co-operation. **Please do not send products containing nuts, peanuts or bananas to school.**

Please check the ingredients of all foods your children bring to school. Ensure that you do not send foods with peanuts or any other types of nuts. Also avoid sending items which say, "May contain traces of nuts", as these could pose a serious risk. If your child eats a peanut or banana product before school, please have them wash their hands and brush their teeth before coming to school.

We realize this request poses an inconvenience when packing your child's snack and lunch however, we wish to express sincere appreciation for your support and understanding.

Pizza Days are every Tuesday during NB#1 in room 1N1 for \$1.50 per slice.

Students Attending Kiwanis After School

If your child is attending Kiwanis after school, please speak to them about remaining in the Kiwanis building, not in the park. We have had some incidents happening which are not safe for kids when they are not supervised.

Please cut off and return to the school.

I want my child to have picture retakes on November 13th.
