

Queen Mary Cardinal

From the Principal's Desk

I was searching for a graphic and came across this one that I thought would be a good to highlight the many initiatives happening at QM.

We are a really busy school and it can be difficult to share the many things, old and new, that are happening in our building. For example, did you know we are running every sports team at junior and senior levels that our board hosts? Our intermural and open gym sessions at nutrition breaks provide structured time for students to practice both athletic and social skills in a safe environment. Our talent show this spring will feature acts from grades 4-8. Other great initiatives include morning entry music, knitting club, boys club, Go Girls, after school scholars, art club, lunch groups, leadership groups, robotics club, mental health initiatives, and much more. All of this with a continued focus on improving student achievement.

Please reach out to me at kemccror@hwdsb.on.ca if you would like to get involved in the great things happening here. We are always better when we work together. Please subscribe to our website (<http://www.hwdsb.on.ca/queenmary/>) and follow us on Twitter.

GREAT THINGS ARE DONE BY A SERIES OF SMALL THINGS BROUGHT TOGETHER.
