October 19, 2021

Dear QM Families,

Queen Mary has a long-standing tradition of providing healthy snacks to all our students through our nutrition program. This program is run through staff, parent, and student volunteers.

Funding of our program is secured through a combination of government sources, non-profit organizations, corporate contributions, and community donations. As prices and need have increased, school fundraising to support the program is essential to keep us running for the full year. We are asking for cash donations from our school community.

Please consider donating if you can – any amount will be appreciated. Together we will help keep our students fed and ready to learn. To make your donation, please send cheques or cash with your child for staff to collect by October 29. We look forward to sharing the total once everything is collected.

Thank you for your consideration.

Sincerely,

Kelly Mccrory  
Principal

Shawna Poaps  
School Council Chair
