Dear Parents/ Guardians,

The board-wide screening of Grade 4 students is scheduled for November 21 and 23, 2017. The Canadian Cognitive Abilities Test (CCAT) will be administered to Grade 4 students by the classroom teacher and by the Learning Resource Teacher.

The Canadian Cognitive Abilities Test was designed to provide an accurate and efficient measure of the abilities needed to acquire the desired outcomes of formal education. The test measures verbal and nonverbal skills in a multiple choice format. Test results will be used to assist with program planning for individual students and as part of the board-wide gifted screening process. No advance preparation on the part of students is necessary.

If you have any questions or concerns, please contact me.
