School Up-date	1
May Calendar	2

SCHOOL EVENTS:

Open House:

Please come and join us on Thursday May 10th, 2018 from 4:30-6:30pm for our annual Open House. Queen Victoria will be celebrating our diversity. We will be offering a "taste of foods" from around the world to all who attend our Open House. If you are willing to provide a dish of food, please let your child's teacher know of your intentions. Please remember that no food items can contain nut products. Thank you and we look forward to seeing all our families next week.

Hydration Station:

This year the school store, under the supervision of Ms. Kellie and the intermediate students, have been raising money to purchase a hydration station for our school. The fundraising initiative has been very successful and we have raised enough to buy a new hydration station for the first floor—before the year end. This new fountain will filter the water, provided chilled water, and will easily fill large recyclable water bottles. We hope to have it installed by the summer break. Thank you to everyone for your fundraising efforts.

EQAO:

Beginning Tuesday May 22nd until Monday June 4th, 2018, all grade 3 and 6 students will be participating in EQAO which is an assessment of Reading, Writing, and Mathematics. Students will complete a variety of assessment activities designed to allow them to demonstrate their skills and knowledge in each of the subjects. This assessment is administered to all grade 3 and 6 students across Ontario. It has been developed in partnership with Ontario educators and assessment experts in order to reflect curriculum expectations. It is important that all students writing the assessment come to school on-time and ready to learn. Having a good breakfast is also a great way to prepare for the test.

School Council:

This month's School Council meeting will be on Thursday May 24th, 2018 @ 6:00pm in the library. Child care is also available if booked by Tuesday May 22nd. Please call the office to reserve a child care space.

Nutrition Policy:

HWDSB has a nutrition policy that all schools must follow. All food served or sold at school and classroom activities or celebrations must conform to the nutrition guidelines in PPM 150. That means that food that does not comply to the guidelines may not be brought into the classroom by parents, students or teachers. As an example, cookies, cupcakes, or treats may not be brought into the classroom to celebrate a student's birthday, unless they comply with the guidelines.

Class Trips and Volunteers:

It is that time of year when classes are planning their year end adventure. We are always looking for parent volunteers to help out with trips. Please consider getting a police check done and dropping it off at the office. If you have any questions about our volunteer policy, please contact the office at 905-667-5880.
