Cold & Flu Season:

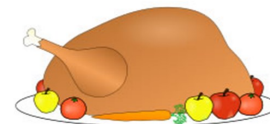

Cold and Flu season is upon us. If your child becomes ill, keeping them home from school can help them recover faster. It also helps prevent the virus from spreading to other children in the school, which is critical to keeping everyone as healthy as possible. A good reminder for all of us at this time of year is to wash hands frequently, get plenty of sleep, dress appropriately for the weather, and always cough or sneeze into your elbow. This will help prevent spreading germs to other people.

Please remember to report your child's absence through the Safe Arrival system. Thank you and stay well!

SCHOOL EVENTS:

Annual Turkey Dinner:

Once again, Queen Victoria School will be having our annual turkey dinner on Thursday December 19th, 2019. All students from kindergarten to grade 8 will come together to share a very special meal. Many local businesses as well as Balaclava School help to support this incredible event. Thank you to Mrs. Hayward for coordinating this amazing event for all our students and staff.

Scent Free School:

In response to staff/student health concerns, QV is a scent free school. Scented products such as hair sprays, perfume, cologne, scented deodorants, and scented school supplies may trigger reactions such as respiratory distress and headaches. Staff, students, and visitors are asked to support our Scent-Smart Program by not wearing or using scented products on school property. Thank you.

MacMillan Order Pick-Up:

Don't forget that this Friday December 6th your MacMillan orders will be available for pick-up between 2:50-5:00pm. If you would like your order sent home with your child, please send a note to school to let us know. Thank you for your support.
