January 30, 2020

Dear Families,

This is a letter to inform you that Queen Victoria elementary had a brief evacuation today.

An odour was detected within the building. The fire alarm was activated, and staff assisted students to evacuate for a short time to a safe location outside and away from the school.

Hamilton Fire Department and Union Gas responded quickly. The school was deemed safe to re-enter and students and staff returned to the building for dismissal.

I would like to thank staff and students for their prompt evacuation and for following our safety protocols.

If you have any questions, please contact the school at 905.667.5880

Thank you for your understanding.

Sincerely,

Kelly Sweeting
Principal
