SCHOOL EVENTS

Progress Reports / Parent

Interviews:

The progress report card in November is designed to show a student's development of the learning skills and work habits during the fall of this school year. As part of the progress report card, you will be invited to a parent-teacher conference to receive an update on how your child is doing in school. This assessment for learning will provide feedback on your child's progress leading up to the provincial report card in February. Translators will be available on Friday November 8th at the school for interviews.

ECO Club Message:

The QV Eco Club is continuing with our 'Ban the Bottle Campaign.' We are encouraging all students and staff to drink water from re-useable water bottles. Please try to avoid using plastic bottles! We will be selling re-useable water bottles for \$2.00 beginning next week! Thank you and think green!

Winter is Coming:

With the arrival of the cold weather, please ensure that your child(ren) has hats, coats, mitts/gloves and boots/warm shoes for going outside for Nutrition Breaks.

We strive to get our students outside as much as possible throughout the winter, but we will keep them inside when it is raining or if we feel the weather conditions are unsafe like extreme cold or high winds.

School Council:

Please join us on Thursday November 7th from 6:00-7:30pm in the library. All parents are welcome to attend our monthly school council meetings. Child care is provided if needed. Please let the office know before November 4th if you will require child minding services. We also are able to provide an Arabic translator to the meetings. Please come and check out school council.

MacMillan Fundraiser:

The school is running its annual MacMillan fundraiser again this year. Order forms will be sent home next week and families can order between November 4th—15th. The delivery of the orders will take place on Friday December 6th, 2019. All proceeds from the fundraiser will go to subsidize school trips, transportation, and new play equipment for our Kindergarten students.

Student Lates and Reporting

Absences:

If your child will be absent from school, please report the absence to the office or through the Safe Arrival program. It is important that students are also on time for school. Some students are arriving late and this can be disruptive to the learning environment. Please be on-time.
