

R.A. RIDDELL MILK PROGRAM

Important changes this year!

Welcome back to R.A. Riddell for another school year. White and Chocolate Milk continue to be available for the cost of \$1 each. All profits go towards fundraising for our school music programs.

We will be continuing our Milk Program this year but with couple of important changes.

No more order forms!

We are trying to become more environmentally friendly, so we will no longer be sending order forms home for Primary/Junior students. If you wish to order for your child by the month, you will need to do so using SCHOOL CASH ONLINE. This is easy to set up and instructions can be found on the school website. We are hoping that this will cut down on paperwork and the amount of cash in our school.

HERE ARE OUR OPTIONS FOR ORDERING MILK THIS YEAR:

JK/SK: You can order through your teacher as in the past or order by the month using School Cash Online. There will be no forms sent home.

Grades 1-5: You may order by the month using School Cash Online and have it delivered to your child's lunch room. Otherwise, your child may purchase milk at the Nutrition Room with cash on a day-to-day basis.

Grades 6-8: Your child may purchase milk on a day-to-day basis with cash at the Nutrition Room.
