<p>Attendance Matters</p>  <p>Every Day Counts....</p>	<p>We have had a considerable number of students arriving late and leaving early. Please note our bell times are 8:50-3:10. Supervision begins at 8:35 on the playground. Having your child arrive on the playground any time after 8:35 ensures your student arrives on time for classes. Early dismissal interrupts learning for the whole class. Please try to ensure your student stays for the full day. We realize we are a busy school at the end of the day, and it seems more convenient to pick up your student before last bell, this does interrupt learning time for the whole class as teaching happens until 3:10 p.m.</p>
	<p>School Council meeting May 8 at 6:30pm in the staff room - discussing plans for next year</p>

	<p>Parents – Please only enter the building through the front door, check in at the front office and please ensure you receive a visitor/volunteer sticker and always wear it on your person. This ensures the office is always aware of all people in our building. Thank you for helping to keep our students safe.</p>
	<p>Across Canada, the month of May is recognized as Asian Heritage Month and is dedicated to celebrating the contributions of Canadians of Asian descent from over 30 countries that make up the Asian diaspora. The term Asian is broad and inclusive, encompassing a broad range of nationalities, languages, and ethnicities. At HWDSB, we strive to create safe and caring learning environments that respect, promote, and protect the human rights of Asian students, staff, and communities. Thank you for helping us recognize the importance of Asian Heritage Month.</p>
	<p>Canada is home to the fourth largest Jewish population in the world and Ontario has the largest Jewish population in the country, with rich historical and cultural roots right here in Hamilton. Canadian Jewish Heritage Month legislation was introduced in the Senate of Canada, designating the month of May as a time to remember, celebrate and educate future generations about the important contributions that Jewish Canadians have made to Canada’s social, economic, political, and cultural fabric. Thank you for helping us recognize the importance of Canadian Jewish Heritage Month.</p>
	<p><i>From the desk of the principal, an expression of gratitude to all R A Riddell families for all the support and cooperation as we partner to ensure your children reach their full potential. It has been a long stretch of a school year as we continue to work together to recover from the pandemic.</i></p>

Thank you for all you do to prepare and get your children through our doors each weekday morning and as you support and provide for them at home.

- Sincerely, Ms. Ayeni
