June 2022

From the Principal's Desk...

Dear Ray Lewis Families,

I can't believe it's June already!. May was such a busy month with lots of fun activities happening like our Eid Celebration, Open House, Kindergarten Orientation, Spirit Days, Spring Concert, and so many more. With one month left of school, I want to remind everyone that school is still a place of learning so our students are expected to be kind, respectful, and engaged in their classroom activities.

Student Council Spirit Day Events: Our team has done an excellent job of keeping our staff and students full of school spirit this year. This past Tuesday was Tie-Dye Day and our Sports Day was held today. Our kinder students will have sports day next week! Stay tuned for any upcoming spirit day events before the school year comes to an end! A big thank you to Ms. Viveiros, Ms. Foutris, and to our student leaders for their commitment throughout the school year!

School Council: A special Thank YOU goes out to our School Council for their dedication and support this year! It is so greatly appreciated! School Council supported many initiatives including new DPA and PE class equipment, getting more tech into our classrooms, and bringing in an Internet Safety and Social Networking Presentation done by Paul Davis.

Health and Safety during Heat Events: A heat event occurs when the forecast calls for one or more days with a 40 or higher humidex reading. The City of Hamilton Public Health Department monitors weather forecasts closely and notifies the media and community partners of a heat event. Once HWDSB has been notified of a heat event, information will be posted on our website and the following precautionary steps will be taken for students: Limit physical outdoor activities, ensure access to water, close drapes and blinds, and monitor students for symptoms of heat stress. Please try to send your child to school with a refillable water bottle during the month of June.

Grade 8 Commencement: Our Grade 8 students will be celebrating the end of their elementary journey on Tuesday June 21st at 6:00 p.m. The Commencement will take place in the school's gymnasium and will be followed by a reception in the library. Light snacks and refreshments will be provided. Information has been sent home to families.

Report Cards: Report cards will go home on June 24th. Our Gr. 8 students will receive their report cards at their Commencement. Please take the time to review the report card with your child and discuss goals and next steps for the new school year. Another copy of term 2 IEP's will also be sent home with students along with their June Report cards.

End of Year Newsletter and Updates (Coming Soon): A newsletter filled with information for the 2022 - 2023 school year will be posted at the end of June. It will give parents information regarding School Bell Times, Nutritional Breaks, School Calendar, etc. for September 2022 .
