Flowers4Mom

In time for Mother's Day (Sunday, May 10th) Scharringa Greenhouses and Allegra Printing have combined to offer a wonderful opportunity to support Food4Kids! For a minimum \$40 donation to Food4Kids, your mom or special someone will receive a hanging basket plant, delivered to their door / porch. There will not be any contact during delivery.

Purchases are made directly through the Food4Kids (<https://www.food4kidshamilton.ca/>) website and every penny of the \$40.00 donation goes directly to Food4Kids!

Please help support Food4Kids.
