**Deadline for Cash Online Friday, December 1st by 11:59 p.m.**

All monies raised will be used for miscellaneous school and student subsidies.

### Progress Report Card

The progress report card provides a "snapshot" of student learning that reflects grade-level expectations and standards, student achievement and progress toward independently meeting expectations, and indications of where help and support are needed. This year parent teacher conferences were held on Thursday, Nov. 16 and Friday Nov. 17<sup>th</sup>. If you were unable to meet with your child's teacher on those day and have concerns, do not hesitate to email or call to set up either an in-person or a phone interview.

If you have not already done so, please take some time to read the progress report card again, sign it and return to the teacher as soon as possible.

### Water Bottles

Just a reminder to send a water bottle or reusable cup with your child or children everyday to school! The

water bottle filling station is open, so students can refill their reusable cup or water bottle.

Children need to drink water throughout the day, to help maintain their body temperature, make bodily fluids and for day-to-day functioning.

Winter dehydration quite often goes undetected, particularly if you feel cold and are not sweating! Artificial heating creates dry air which can cause dehydration.

### Treat Fridays – Cookies

Starting Friday December 1<sup>st</sup> and every Friday throughout December, we will be selling cookies during the 2<sup>nd</sup> Nutrition Break.

For sale will be a choice of: double chocolate chip cookies or Holiday sprinkle cookies. The cost of each cookie is \$1.00.

If we have cookies left after the Holiday Break, we will continue to sell them until we have none left.

**All monies raised will be used for Miscellaneous Student Items e.g., gym equipment; recess bags; trips; library; etc.**
