Dear Green Acres & R.L. Hyslop Families,

Re: Commencement of Construction of School at Collegiate Ave. Site

I'm pleased to share that construction at the Collegiate Ave. school site is about to begin!

As you may know, Collegiate Ave. school was closed in advance of a major school renewal project to include:

- eight new permanent classrooms;
- three new licensed childcare rooms; and
- a new gymnasium and library.

Once complete, the new school at the Collegiate Ave. site will open to accommodate students at Green Acres and R.L. Hyslop. The tentative opening date is September 2021. Following this building renewal project and the opening of the new school at the Collegiate Ave. site, Green Acres and R.L. Hyslop will be closed.

Over the course of the 2020-21 school year, two committees will be formed with representation from both Green Acres and R.L. Hyslop to engage in two important processes:

1. **Transition Planning Committee** – will help guide plans for a smooth transition of students from Green Acres and R.L. Hyslop into the school at the Collegiate Ave. site;
2. **School Naming Committee** – will provide the Board of Trustees with recommendations for naming the school.

Thank you for your support of this project. If you have any questions regarding this information, please contact your school principal.

Kind regards,

Jeff Gillies
