

BUS ROUTES / ANIMALS

At Rockton ES, all of our students take a bus. We prefer to use animal names because it is easier for the students to remember. We announce the buses at the end of the day over the PA System, and teachers escort the students to their buses. Children do not need to remember the route numbers, but it is helpful if they know the animal name of their bus.

| AM ROUTE | PM ROUTE | ANIMAL NAME |
|----------|----------|------------------|
| 2201 | 2201 | RAVEN (Mini Bus) |
