The session on November 1 will allow you to learn more about what a secondary school experience can look like in an HWDSB school.

You will learn about what to expect in Grade 9, including information about course selection processes and timelines, Ontario Secondary School Diploma requirements, system programs at HWDSB, and more. The presentation will be recorded and posted to the HWDSB website for those who cannot attend.

Take your time to plan, with your family, so that you can work toward the pathway that will be best for you. At HWDSB, we believe in you, and in the ability of our staff to support you. We look forward welcoming you at our virtual information session!
