Student Report

Owen L.: The spirit day and pay it forward combo this month is literally "pay it forward". It is a reminder to our Rousseau students to be kind any day. This week the students will be trying to get as many leaves as possible for the Rousseau tree. Students can wear green. Growing kindness goes with a Spring theme. ELP2 has challenged other classes to earn a leaf on a tree.

SPCA: Raised \$301.25 for SPCA as well as a generous sized box of items.

Teacher Report - J. Raymond

Honor H. informed the group that former Rousseau students are performing in the theatre production, Mulan. On May 20 and 21 feeder schools are invited to attend a performance at a cost of \$2 per child.

5. Understanding and Defining our School Council Purpose

Laura H. asked for feedback and an open discussion about the mandate of parent council. Laura H. asked for attendees to brainstorm ideas to bring back to our next meeting including a clear definition of our purpose. School Council is looking to set new goals for the 2015/2016 school year.

The purpose of School Councils is to improve student achievement and ensure accountability between school and parents. The purpose is not solely for fundraising. We have many parents involved in many ways at the school. It would be good to see how or in what ways our parents would be interested in participating in school council. The Ministry of Education outlines the requirements for a school council.

Fundraising initiatives and goals in the past have not been clear. In recent years, we have relied on the write a cheque program which recently has not been as successful as hoped. Laura H. has also asked that parents brainstorm ideas for possible new fundraising methods for 2015/2016.

Susan B. and Janet R. suggested that School Council set up an information table at Meet-the-Teacher night to encourage more parents to attend the meetings. In addition, it was further suggested the kindergarten orientation also include an invitation to attend School Council meetings. Set something up at meet the teacher night to encourage people to come out in September. The membership and self-nomination form will be provided to all families in September. Laura H. suggested that an email be sent to all people that respond to the form indicating that we are happy they are responding to encourage their attendance. Janet R. further suggested that all teaches create a blog post that includes an invitation to take part in School Council.

6. Possible Revisions for 2015/2016 School Year

Food sales: Considering changing the milk program from 5 days per week to 3 days per week to reduce costs to parents. An alternative may be to use school cash online to allow for multiple payments throughout the year instead of lump sum payments in September. It was suggested that an online survey be created to obtain parent feedback on milk usage. Janet R. will get teacher feedback as to what their preference would be in terms of logistic concerns, etc.

Fundraising: Laura H. is asking for ideas for fundraising initiatives and ideas with a goal to plan ahead in April/May for activities to take place in September.

Events: Laura H. is asking for ideas for Rousseau events.

School Council Meeting Times: Meeting times could be altered from the current 6:30 - 8:00 pm. Considering a rotation of meeting times between after school and evening. Susan B. suggested evening meetings for months with more predictable weather. Meetings could be held in the Hub if more space is required. It was suggested that a google form be sent out to parents to see if there is a preference for meeting time. Laura is asking for people to help create this form and suggested that Mr. Peters could possibly help. Hope to have feedback for next meeting.

Extra Curricular for Grades 1-3: There may be opportunity in the future for parents to be involved with or lead extracurricular activities.

7. Prom Project

Laura H. will organize the start of Prom Project for the week of March 30th and will collect donated items until

Tuesday April 7th. Laura H. will arrange for the drop off of these items.

8. Teacher Appreciation

Rousseau Open House will take place on May 7. The Rousseau staff appreciation lunch will tentatively be scheduled to take place this same week (1st full week in May). Details will be discussed at the next meeting.

9. Fun Fair

Seeking donations for the silent auction continues to be a priority for preparing for the fun fair. Natalie Booth is in charge of the silent action. If anyone has any items that can be donated contact Natalie at natalietombooth@yahoo.ca.

Kim will discuss volunteer roles at next meeting.

The meeting was adjourned at 8:00p.m. Minutes respectfully submitted by Stephanie G. Next meeting will take place March 24, 2015 from 6:30-8pm.
