**School Community Attendees:** Laura H., Melissa J., Gint M., Honor H., Agnieska M., Lara H., Bridget S., Alisa F.

**Guests:** Sandra Binns & Angela Murchie, Ontario Federation of Home and School Associations

**Regrets:** Danielle Curry (Vice Chair), Kaitryn Campbell (Co-Secretary), Tara Hamilton (Treasurer)

### 1. Welcome

2. **Approval of October's Minutes:** Approval of last month's minutes was *motioned* by Laura H. and *seconded* by Gint M.

### 3. Reports:

#### Student Report – Carson & Dea:

- *Special Events:* The Halloween dance was a success. It was suggested that the event be longer in duration next year.
- *Spirit Days:* on November 26 students are encouraged to wear red, white or Canadian themed clothing; students would like to have water day this year and more spirit days.
- *Pay it Forward Events:* For the month of November a donation was made to the Veterans; In December gifts will be collected and given to Rousseau's sister schools; in February a food drive will take place. Classes will continue to brainstorm ideas for spirit days.

#### Teacher Report – Mrs. Raymond:

- *Teachers have a deal:* As much as possible there is a return to business as usual, with immediate attention to report cards and parent observations in ELP. Thank you to Mr. Gris for his support throughout these few months, handling paperwork and funds so that things like volleyball have happened to the extent that they could, and orders could be placed for pitas, milk and pizza. Thank you to our parent community for help getting those initiatives launched when teachers could not.
- *Halloween Dance:* was successful from teacher perspective, buddy dancing was very sweet and 2 songs was enough for our younger students; great suggestion. Junior teachers felt (as did their students) that either having food earlier in the day or providing a longer time for the dance after younger students leave would be helpful for future Halloween Dances.
- *Bullying Awareness:* this coming week buddies will work together to identify what peace means to them, record on a dove and display. We may use doves on the Giving Tree to celebrate acts of acceptance and tolerance.
- *Chapter's Night:* teachers have populated the wish lists, thank you in advance!
- Thank you to Ms. Fawcett for organizing our Remembrance Day Ceremony, with many musical contributions prepared by both choirs and classes taught by Ms. Fawcett and Mrs. Stinson, as well as input, (musical, artistic, poetic etc.) from all classes.
- Thank you to Mr. Peters who has been single handedly coaching all 3 of our volleyball teams; gr. 6 girls, gr. 6 boys and 5% coed. He is holding practices almost daily, and attending 2-4 games per week. Students love it!
- *Junior Choir:* Rehearsing 2x/wk to get ready for Chapters Night; Same songs will be performed at Ancaster Light Up Night, Thurs. Dec. 3, 5:45 - 6:45; Drop off and pick up at Town Hall, but parents can't stay in Town Hall, no room
- *Primary Choir:* Lovely performance at Remembrance day, and preparing next for Chapter's Night.
- *Holiday Card Project:* Sandra Mallett was inquiring about charities teachers would like to support this year. We are happy to have funds go once again to Clty Kidz and Ancaster Community Services.
- *Musical:* The labour situation this fall interfered with the launch of our musical to the extent that our proposed dates (with licensing and sound/lighting tech booked) now need to be changed. The goal of staging the musical before March Break is no longer realistic, and holidays such as Easter and Victoria day, combined with the personal lives (how dare they?!) of the teachers involved, and coordinating with sound

tech, make rescheduling to a later date difficult. If we are to go ahead with the musical this year, there are many variables that need to be sorted out before we can announce that. Your patience and understanding is appreciated.

#### Principal Report – Mr. Gris:

- *Vendor's Evening:* The cost of a permit for a non-profit event is \$53. Kim S. stated there is not enough time now to prepare for a November sale; will put this off until next year.
- *School Bus Delays:* Parents are to call HWSTS; synervoice will be used as a backup.
- *School Cash On-Line:* the school website has been updated to provide parents with access to support for school cash online through a Quick Link; families can call the school if they need a PIN number
- *RAZ kids:* cost is \$899.95 US; school council will pay ½ of this cost. Parents will be provided with a home log-in.
- *Gym Mats (2 year plan):* in 2015/2016 requesting \$4923.07 for permanent padding under basketball nets; in 2016/2017 requesting \$3354.19 for 29 removable mats on length of gym walls.
- *Technology Roll-out:* Grade 4 and 5 students have received 6 pack of iPads and Apple TV; all teachers have recently been given an iPad to begin training and to use with their classes.
- *Labour Update:* Parent Teacher interviews are happening on November 26-27. Teachers will only conduct interviews related to Progress Reports if they have concerns about a student's progress. Parents are encouraged to contact their child's teacher with questions or concerns about their child's progress. Teachers will continue to communicate with parents and guardians about student progress & development.
  - CUPE (caretakers) ratified agreement – job action over.
  - OCTU (through OSSTF) – office administrators – still negotiation and in a job action – as a result office administrators cannot release the front door for visitors, assist with fundraising, assist with trip forms etc., print school council reports or financial statements, call students to the office, assist with scheduling parent/teacher interviews.

#### 5. **Funds Update:**

- \$500 has been provided to each classroom teacher
- \$250 has been provided for French and a total of \$500 was provided for drama, arts, phys-ed
- \$20/class for a total of \$200 has been provided for next spring's art auction
- \$30/student for a total of \$7170 has been provided for enrichment (ie. school trips)
- \$75 for staff room curtains
- \$156.98 for Homesense staff room purchase
- ½ of the funds will be provided for the RAZ kids program
- Funds are being allotted for piano tuning
- \$1970 is being set aside for either gym mats or lego robotics
- \$3500 is being set aside for fun fair

Kim S. stated that school council would like to have updates from teachers on how they spend their funds.

6. **Principal Direction for Rousseau:** Kim S. asked on behalf of parents that Mr. Gris provide his direction for Rousseau. To be provided at next meeting.
7. **Classroom Reassignments in the Future:** This is a huge worry for parents and students. Laura H. asked if this is something that can happen sooner in the school year before students are settled in their classrooms. This will be discussed in further detail at the next meeting.
8. **Other Business**
  - *Home and School Associations*
    - Sandra Binns & Angela Murchie from the Ontario Federation of Home and School Associations (OFHSA) provided an overview of home and school associations and the differences between these associations and school councils.
    - Home and School Associations are about advocacy and provide feedback on policies and support to school level associations with a focus on education and student health & safety. OFHSA has a voice at the government level and is invited to participate in consultations and working groups. OFHSA has a seat on the Parent Involvement Committee (PIC) and the school calendar committee.
    - More details can be found on the OFHSA website: [www.ofhsa.on.ca](http://www.ofhsa.on.ca)
  - *Teacher Alignment:* Gint M. inquired about policies related to teacher alignment in terms of strategies and consistencies between teachers that are teaching the same grade level (ie. grade 1 class vs. grade 1/2 split class). Mr. Gris stated that teacher learning affects how students will learn in class. There is collaboration between teachers but there are also individual teaching styles.

The meeting was adjourned at 8:15p.m. Minutes respectfully submitted by Stephanie Gasko.  
Next meeting will take place January 19, 2016 from 6:30-8pm.
