

SNYB Coaches Communication

Today's Headline(s)

Steve Nash Youth Basketball Program – Recruiting Coaches

Starting in January 2018, Rousseau Elementary School will be running the Steve Nash Youth Basketball (SNYB) program.

SNYB is Canada Basketball's national grassroots development program for youth basketball players (ages 6-12) across Canada. Based on the Long-Term Athlete Development (LTAD) Model, SNYB develops the fundamental skills, sportsmanship, and a love of the game of basketball through fun and developmentally appropriate games and training.

SNYB's mission is to provide youth across Canada the opportunity to play basketball, the right way. As a result SNYB can be easily adapted (while still providing a strong program structure) and remains as accessible as possible for interested families and communities.

SNYB essentially offers a "program-in-a-box" for the over 350 programs across the country that service over 20,000 players. The program includes, player packages (with jerseys, basketballs, and more), coordinator tools (an online portal, Operations Manual, Promo Kit, etc.) and a full curriculum for coaches (including a Coach Manual, Lesson Plans, Drill Bank, and Video Library).

Canada Basketball also knows that great coaches make great programs, so they put a ton of emphasis on coach education. As part of the SYN program, Canada Basketball works with groups to provide coach training through the NCCP FUNDamentals workshop.

In order to run the program at the highest level we need 3-5 parents per group who are willing to become an SNYB coach.

SK – Grade 2 (age 6-8) - Wednesday's 3:30pm-4:30pm (Lead Coach – Bryan Crawford)

Grade 2 – Grade 4 (ages 7-11) - Wednesday's 8:00am – 9:00am (Lead Coach – Mr. Johnson)

Grade 4 – Grade 6 (ages 10-14) - Monday's 8:00am – 9:00am (Lead Coach – Jason Bondy)

The time commitment would include 1.5 hours per week for ten weeks on the scheduled day, along with a 7.5 hour NCCP training course, scheduled for January 20th.

If this an opportunity that interests you please contact Mr. Gris at jgris@hwdsb.on.ca
