**Principal's Report (Mr. Gris):**

1. Welcome and Thank you - for time and dedication - hope you can attend as many meetings as possible - depend on parent's support to provide the best for our students
2. Facilities - The kindergarten shed has been replaced and the soil sample tests came back indicating that the playground is safe for use. Staff are finalizing a list and materials will be ordered by the end of the week.
3. Staffing Update: Mr. Blythe in for Mrs. Stinson - about a couple of months. Mrs. Laws returning half-time in the morning. Ms. Ali will teach the class in the afternoons.
4. Winter Carnival - this Fri. Feb 22 - will be indoor and outdoor activities for all students. Gr. 1-6 students will have the option to go skating. Students in the primary wing will go skating during the first block. Students in the junior wing will go skating during the second block. Parents/ Caregivers are welcome to come. All skaters must have a winter sports helmet and skates. Students who choose not to skate will be able to participate in outdoor and indoor activities at the school. Thanks to School Council for providing hot chocolate during the second nutrition break. Automated phone call went out late this afternoon - reminder about trip forms due tomorrow. Entire day is subsidized by pizza funds.

5. Program Update: Continuing our learning around math - looking at tasks that we assign to students and exploring what the work tells us about student learning - what is present and what is not present with what we see - we connect this with what we need to do next to support student learning. We are also going to start to look at our positive school culture data. Last year our Grade 4/5/6 students completed the Middle Years Development Inventory. We will look at this data and discuss the implications for our students' learning. We continue to look at ways to include the recommendations from the Truth and Reconciliation Committee in our practice.
