## RYERSON 2019-2020 Direct Donation

### Contribution Form

Each year we need funds to support the nutrition programs, our awards program, unique student learning opportunities and to subsidize student trips. Last year, donations purchased math tools, supported the arts program for the drama production of Beauty and the Beast, gave funds for the library and contributed to bussing for sports teams. In years past we've supported classroom technology, robotics kits, and gym equipment.

This year, with your support, we hope to continue with our traditional purchases and subsidies as well as support student, cross-curricular learning and HWDSB's Transforming Learning Everywhere plan. Final decisions will be made at School Council meetings with input from teachers and we encourage you to attend.

I wish to participate in the Ryerson Direct Donation Campaign to raise funds to enhance the learning of all Ryerson students!
