<b>ELEARNING</b>	Please note that there is a selection of elearning courses available. You can view the selection by logging in to your Career Cruising account and select the elearning tab under elective course options. Students who select these courses will not be in a classroom during the time of the course. Students are expected to have their own devices to complete the course work as there is no guarantee the library will have enough devices on a daily basis. Students should conference with their guidance counsellor to discuss If elearning is the right choice for them.
