# VOLUNTEERS NEEDED!

## What is the Walk for Arthritis?

The Walk for Arthritis is the Arthritis Society's marquee fundraising event. The Walk unites those who feel the emotional and physical pain of arthritis in communities across the country to fund a cure and improve the lives of those living with arthritis. Since its inception, the Walk for Arthritis has raised over \$10 million to help erase the pain of arthritis.

## Volunteer your time and make a difference!

The Walk for Arthritis is a great way to give back to your community and support the Arthritis Society. When you volunteer at the Hamilton Walk for Arthritis, you are helping to make a special day even better for those who have come together to raise much needed funds for critical research, education and advocacy initiatives - improving lives of the 6 million Canadians living with this debilitating disease. Grab your family and friends and make a difference!
