Dear Saltfleet Families,

As you know, we consider student safety to be our top priority. From time to time, it is helpful to remind students and families about safety procedures.

We recently received a report of a stranger harassing one of our students. This is a concern. Police are actively investigating the incident.

We remind students about safety when walking to and from school. We continue to recommend that students walk in pairs or groups. We want our students to be aware of their surroundings and to report suspicious activity.

Thank you for helping to reinforce this message.

Sincerely,

Christine Nicolaides  
Principal
