

POST SECONDARY RESEARCH CHART

Do your RESEARCH. In looking at potential post-secondary pathways, create a list/chart to compare the colleges/universities/apprenticeship options before you apply.

School Name	Program Name	Course Requirements	% Entry Average	Enrollment	First Year Courses	Job Prospects	Co-op/Intern Opportunities	Cost	Pros	Cons

Questions to ask

- ✓ Have I had contact with the liaison officer / admission advisor at the school(s)?
- ✓ Have I visited the campus? Book a tour or visit during fall/spring open house.

Upcoming dates:

Liaison visits/ College Fairs/University Fairs dates

Application deadlines:

<http://www.ontariouniversitiesinfo.ca/> - University www.ontariocolleges.ca - College
