3.1	Principal's Report	Christine	<ul style="list-style-type: none"> • Saltfleet's COVID climate: Christine is sad because Saltfleet has become a place of learning only. Due to COVID there is a very different climate. No student parliament, no sports teams etc. Hopefully a student parliament will be formed eventually, and things will change. There are only approx. 50 kids showing for study hall. It is so quiet. • Rotations have occurred: Now students are now attending class face to face for their period 2 class. • Switching from remote to class learning or vise versa: There have been inquiries from parents to switch from remote to in person learning. You can only do so at the beginning of each rotation. You just contact the school right before the rotation. Students can switch from in class learning to remote at any point in time. Emails can be sent to the to the Principal, VPs or Guidance Counsellors. • The Track Field is completed: Due to the old field, Saltfleet hasn't had a game on the field in approx. 10 years – It is unfortunate that they can't have a Home Coming event to celebrate the new field this year. They will have to wait most likely for next year to celebrate. – Field and track are open in the day for students to use, but it is locked at night so it doesn't get vandalized. – Kids are encouraged to us the track for fitness in the day. – 	Update

			<p>Saltfleet is the host school for Special Olympics. They are excited to host again once COVID is over.</p> <ul style="list-style-type: none"> • Construction: The roof has been replaced at Saltfleet. The air conditioning unit is also being repaired. Construction is also happening across the street which is great, because it will bring new students to Saltfleet with the new housing. • Preliminary report cards: Will go out late this week or early next week. Reports are a little late, because everything is a challenge due to COVID. • Grad: Grade 12 grad was cancelled in June. Saltfleet was going to have a graduation this fall. However, it was cancelled also. Before Christine leaves, she would like to get the grad portfolio out and arrange or a curb side pick up. Details are still being worked out. • Admin change: New VPs. Paul Fox and Andrea Moore. They are phenomenal and have been working very hard. • Christine's last Day: On Nov 2nd Christine is leaving and new Principal Marco Barzetti from Churchill is coming. • T-Shirts for Grade 9s: T-shirts were made for grade 9s. Given out class by class. "Taken by Storm" screened on them. Student's seemed pleased. Saltfleet is trying to be creative in this new climate to make students feel welcome. 	
3.2	Student Parliament Report		<ul style="list-style-type: none"> • No report • No student parliament to date • Will stay as a standing item in case a parliament is formed and/or there is a student wishing to report. 	Update
