

### **Information regarding Music Repertoire and Sign up Process:**

Music Repertoire is for gr. 10-12 students who want to increase performance skills through intensive study with band repertoire. This group functions as our Sr Band and performs 5-7 concerts a year, travels to festivals and workshops, runs workshops for elementary school band students, attends professional concerts and music related events, and is our main performance ensemble. Students who want to participate in Sr Band, must take the Sr. Repertoire Course.

Students MUST be registered in or already have the AMU credit that coincides with this AMR credit. For instance, students in Gr. 10 who want to participate in Repertoire must also be in AMU 201. Repertoire is an EXTRA credit. It is offered outside of the school day in addition to your regular timetable. Some rehearsals are before school, one is at lunch, and one is after school.

### **Registration Process:**

Students interested in the AMR (Repertoire) course, should speak with Mrs. Meyer in music. Do NOT register for it with your other classes as it is outside of the school day.
