August 2023

Hello!

Welcome back to another year at Saltfleet District High School. I hope that you have enjoyed your summer break... relaxing, unwinding and spending time with family and friends.

We are pleased to start the new school year with enthusiasm and look forward to participating in many awesome opportunities such as guest speakers, assemblies, special spirit days, experiential learning and extracurricular activities.

I am very fortunate to be working alongside two amazing Vice Principals – Mr. Mark Hopman (working with students with last names A-K) and Ms. Andrea Moore (working with students with last names L-Z). Please feel free to connect if you require support or assistance with any matter. We will do our best to help you. In addition, we know that your success and well-being are directly connected to you becoming a high school graduate. Working with our talented and dedicated staff, we all want you to graduate and have many rewarding opportunities and experiences during your time at Saltfleet!

Students return for the first day of the school year on **Wednesday, September 6th**. Classes start at 8:00am. Please also make note that picture day is on September 19th. You will have the opportunity to purchase photo packages online, but even if you do not want to purchase photos, it is still important to get your photo taken for your student card. Student cards are provided free of charge to all students.

Timetables can be seen via the Parent Portal in late August. Guidance counsellors will be back in the school the week of August 29th if any timetable changes are required. Please note, that timetable changes may be limited due to how full our classes are this year, but we always endeavour to meet the needs of our students. Staff will be available outside of the main office on September 6th to support any questions related to your timetable or class location.

The environment we learn in is very important to all of us. It is crucial for all students to feel safe and welcomed. If you come across any issues during your time at Saltfleet, please make sure we are made aware so that you are given the best possible chance to succeed in high school. A Student Handbook containing information about the Code of Conduct will be posted on the Saltfleet website shortly. We encourage students and families to read this document together.

On behalf of Mr. Hopman and Ms. Moore, we wish you a wonderful start to the school year. Go Storm!
Have a wonderful year!

K. Kindree
