ELEARNING	Please note that there is a selection of eLearning courses available. You can view the selection by logging in to your myBlueprint account and select the eLearning tab under elective course options. Students who select these courses will not be in a classroom during the time of the course. Students are expected to use their iPad/laptop or personal device and sign-in to the Learning Commons to complete the course work. Students should conference with their guidance counsellor to discuss if eLearning is the right choice for them. Students CAN NOT switch between eLearning and face-to-face classes as the classes become full. Therefore, choose wisely.			

*These courses are not listed in myBlueprint. If you are interested in taking one of these courses, please contact your guidance counsellor.
