June 21, 2021

Dear Parents, Guardians and Caregivers;

As we head into the last week of remote, I wanted to reach out and thank you all for your continued support as we have moved through many challenges this school year. I have been so thankful for such an amazing staff and supportive community during these unprecedented times in education.

As communicated by HWDSB, we are setting up scheduled time slots for families to come to the school on June 28th to drop off board loaned devices and pick up any personal items left behind. While I know many families do not have a need to come to the school as many families took their personal items home with them before the April break, we will still provide a window of time for each class. Classroom teachers will be reaching out to you early next week via email to confirm if you will be coming during your provided timeslot. Please note, this time slot will be provided by Grade, outside on the FDK and main playground, following all distancing and Public Health measures. Please wear a mask at all times on school property, and do not come to the school if you have any COVID symptoms. We will be keeping track of families that attend to drop off / and or pick up for contact tracing purposes.

For those families that will be dropping off a school loaned device, we ask that you place the device in a plastic bag clearly labelled with our student's first and last name on the bag. This is important so that we can begin the process of tracking all device returns. It is important that all devices are returned to the school no later than **June 29th**. This includes any students that have borrowed a device through the remote school.

Thank you all for your continued support as we work to finish off the year. Please see the attached schedule for drop off of ipads and pick up of personal belongings.

Mrs. J. Anderson
Principal

Scheduled Drop off of Devices and Pick up of Personal Belongings

All drop offs and pick ups will occur on the FDK Playground for FDK students and the back playground for Grade 1-8 Students. If raining, we will adjust to the front of the school. Please do not come to the school if you do not have to pick up belongings or drop off a device. Staff will reach out via email to confirm that you are coming. Please let the office know if you cannot drop off your device in the timeslot provided, and we will make other arrangements. **Please note that all ipads must be returned to the school by June 29th** unless your child is participating in a summer remote program supported by HWDSB.

Monday, June 28th

TIME	Class FDK Playground	Class Back Playground	Class Back Playground	Class Back Playground
