Dear Parents, Guardians and Students,

This letter is to update you on the renovations at Sherwood and the future plans for Sherwood Secondary School.

Hamilton-Wentworth District School Board (HWDSB) is committed to having a secondary school on the Sherwood site. Our renovations are continuing and we look forward to the completion of the following projects in the next few months:

- A new floor in Gym C;
- The replacement of windows and exterior doors (including the main entrances at the rear and front of the school);
- Interior door replacements; and
- A new school sign.

Significant work remains to revitalize Sherwood Secondary School. Because this work requires a large investment and there is a new Ministry funding opportunity, the School Consolidation Capital grant, HWDSB will be submitting a business case to the Ministry of Education for the construction of a new school on the current site.

We are committed to exploring all our options to meet the needs of our students and continue maintaining effective learning environments.

If you have any questions, please contact me through the main office at 905-383-3377.

Sincerely,

Bob Pratt  
Principal
