

January 22, 2020

Dear Parents, Guardians and Caregivers,

On Monday, January 20, 2020, the Board of Trustees received a report from staff recommending the secondary school boundaries for Nora Frances Henderson, Sherwood and Sir Allan MacNab.

Trustees reviewed the recommended boundaries based on the feedback received from the Boundary Review Advisory Panel and the Boundary Review public meeting. Trustees approved the following boundary change for Sherwood, which takes effect for September 2020:

- That the entire elementary boundary of Franklin Road aligns with the Sherwood Secondary School boundary.
- That the entire elementary boundary of GL Armstrong aligns with the Sherwood Secondary School boundary.

This means that all Grade 8 students from Franklin Road and GL Armstrong Elementary Schools will move to Sherwood Secondary School for high school.

I want to thank all those from the affected schools for participating in the boundary review consultation process.

If you have any questions about the new boundaries and how it affects your child, please speak with your school Principal.

Sincerely,

Paul Denomme  
Superintendent of Student Achievement
