The Dramatic Arts

Students Learn:

Drama:

- Performance Skills
- Effective Communication
- Cooperative Group Skills
- Tableau, Storytelling, Choral Speaking, Role-Play, Improvisation, Characterization, and Movement

Students are required to complete one mandatory course in either Art, Drama or Music. All the arts courses are open to many different levels and abilities. The courses are designed to give a sampling of what the arts can offer.

All you need is a willingness to try and a positive attitude! Many students develop self-esteem while exploring the arts!

Visual Art:

- Print Making
- Drawing
- Painting
- Sculpture

Skills Taught By The Arts

- Creative thinking
- Problem solving
- Risk taking
- Teamwork
- Communication

These are the tools the work force of tomorrow will need.
