PURPOSE

School Council has created its annual plan for 2022-2023 which includes fundraising ideas, recommendations to enhance the student experience, and promote parent/teacher involvement. Information has already been gathered on the proposed fundraising activities, purpose of the funds, time period during which they will be generated, the person or group(s) responsible, the anticipated net proceeds for the events, and visuals. After today's session, School Council would like a thoughtful and purposeful review of the proposed plan by administration.

AGENDA

- Fundraising Proposals
- Pro-Grant Proposal
- Speakers
- Student Achievement Support
- Communication Parent Development

The logo for the SWL School Council 2022-2023 Proposal is centered on the page. It features the letters "SWL" in a large, bold, blue font. Below "SWL", the words "SCHOOL COUNCIL" are written in a smaller, blue, sans-serif font. At the bottom of the logo, "2022-2023 Proposal" is written in an even smaller, blue, sans-serif font. The entire logo is enclosed within a thin blue circular border. The background of the slide is a light-colored, close-up photograph of a lion's face, which is slightly faded to allow the logo to stand out.
