## Todd White – Wards 5 & 10

Hello Families!

My name is Todd White and I am your School Board Trustee. I represent the Wards 5 & 10 school communities in East Hamilton, Stoney Creek and Winona.

As a Trustee, I am your elected voice at the school board. I work collaboratively with families, school communities and staff to improve education for our students. My priorities include student learning, positive culture, effective communication, and school renewal.

I believe strongly in transparency and accountability. I'm always available to address your questions or concerns, or to simply listen to your feedback. I invite you to contact me at [twhite@hwdsb.on.ca](mailto:twhite@hwdsb.on.ca) or 289-237-1644.
