### Upcoming Dates

June 27: Report Cards go Home

June 28: Last Day of School

### Previous Updates

## Nutrition Breaks & Students Leaving the Building

Students are encouraged to remain at school during their nutrition breaks unless there are special circumstances a family has shared with the office to support a student need.

In September this year, some of our students in Grade 8 may have had forms completed by a parent/guardian to go home during second break only. Only these students have permission to go home during nutrition break, although we do encourage all students to remain at school when able during nutrition breaks. All other students in younger grades should remain at school, unless there is a special circumstance a parent has arranged with the office. We appreciate your understanding and support for student safety during unstructured times.

**Track & Field Continues...Thank you SWL Families & Staff for your Cheering Support!**
