Thursday, October 10	Day 2	World Mental Health Day Hold & Secure Drill Today
Friday, October 11	Day 3	Yom Kippur

### Upcoming Events

*Bus Safety Presentation – October 21*

### WALKTOBER - Active School Travel

October is a month when students around the globe participate in Walk and Roll to School events and celebrate being active on the way to school. You can participate by walking or rolling to school daily.

### Hold and Secure Drill This Week

A Hold and Secure is used when the school is secured due to an ongoing situation outside and not related to the school that requires all persons to remain in the building. The school continues to function normally, with the exterior doors locked until the situation is resolved. We will be practicing this drill on Thursday, October 10. You can also learn more about HWDSB's secure schools' protocol at <https://hwdsb.info/secureschools>

## Helmets, Bicycles, Skating

Bicycle helmets save lives and prevent injuries. Using the safety gear when riding or rolling to school is considered the single most effective way to prevent head and brain injuries if you should somehow tumble off your two-wheeler.

Attached is further information shared through Hamilton Public Health for support.

[Helmets for bicycles, inline skating, scooter riding and skateboarding – Parachute](#)

## Construction at Recreational Centre

Due to the construction in progress at the Recreational Centre next to the school, the Facility Construction manager is requesting parents do not park in the gated space due to public safety.

## Krispy Kreme Fundraiser

Thank you for your support in ordering Krispy Kreme treats. School council raised over \$3000.00 to support student initiatives such as technology materials and hands on activities to support learning across various curriculum subjects.

## Terry Fox

*No Matter the Distance. No Matter What.*

Terry believed in a world without cancer. Students recognized Terry's efforts and dream this week, to live in a world without cancer, by raising funds for cancer research this week.

Families can still donate using the school link below.
