## Morning Entry & Dismissal

Thank you, families, for your ongoing support in safe travel to and from school. We have seen an increase in families walking to and from school this year and we appreciate your support in helping with safe entry for students.

The park in front of the school is located on Hamilton city property so it is not supervised by SWL staff during entry and dismissal. SWL staff do supervise the front and back of the school, school walkways and hard top during entry and dismissal. Students visiting the park space or other spaces near the school but not on school property, are encouraged to continue to demonstrate respect and safe behaviours before and after school.
