Mental Health Recognition (May 5-9)

Students recognized Mental Health Awareness this week at SWL.

- * Meditation Monday: The Healthy Action Team (HAT) visited classrooms with meditation bead bracelets for staff and students.
- * Talk About It Tuesday: Students had time for self-reflection and discussion of self care.
- * Wellness Wednesday: Movement sessions in the gym with the HAT team:
- * Thoughtful Thursday: Sidewalk chalk affirmations during both nutrition breaks.
- * Fantastic Friday: Participate in a fun school-wide scavenger hunt to wrap up the week.

Thank you, students, for supporting mental wellness at SWL!

Open House – May 15 5PM – 6:30PM

Families are invited to our Spring SWL Open House on Thursday, May 15 from 5PM-6:30PM. Families can visit their child's classroom to observe student achievement, check out our Learning Commons area and purchase Scholastic Books and other reading materials, and enjoy some treats sold by School Council fundraising for student hands-on instructional materials. Our Grade 8 students will also be selling Croc charms as a fundraiser to support their commencement, and our Recreational Centre will have some materials prepared to share with our families as they re-open for Spring 2025!

Looking forward to seeing our SWL families at our Spring Open House
