Throughout the year, we have achieved numerous milestones and embarked on exciting initiatives, all made possible by your contributions and enthusiasm. From enriching educational programs to community-building events, your participation has been invaluable. School Council supported SWL community opportunities linked to our literacy and math initiatives through Open House events, Family Art Evening and our Winter Wonderland. Our School Council also supported and helped manage our daily nutrition program for our students and fundraised to aid in funding for school wide math games and activities, hands on instructional materials for our students, and financial aid for school excursions and our student nutrition program.

We are pleased to report that our school council meetings have been a cornerstone of our collaborative efforts. These meetings have provided a platform for sharing ideas, discussing important matters, and planning for the future. Your insights and perspectives have greatly influenced our decisions and helped shape the direction of our school.
