

January 8, 2018

Attention all Families

In ensuring we are in compliance with the Safe Welcome Program effective Wednesday January 10, 2018 all outside doors leading into the School will be kept locked.

We ask that all parents or guardians enter through the YMCA Child Care Entrance when dropping off or picking up your child in any of our School Age Child Care Programs including Full Day Kindergarten.

The Child Care Entrance is video monitored and all guests will have to be buzzed in to gain entry into the school. Please note that the Child Care Entrance is only to be used between the hours of 7:00am-9:00am and 3:30pm-6:00pm., when our School Age programs are in operation. Families are to use the front doors during regular School hours.

Sincerely,

Kelly Dimic, Supervisor
Sir William Osler YMCA Child Care Centre
YMCA of Hamilton/Burlington/Brantford
