

Library Learning Commons

Mrs. Wilkins Teacher Librarian

WELCOME to the Learning Commons!

Welcome to the Sir William Osler Library Learning Commons. It is my pleasure to be the new Teacher Librarian in this beautiful learning space and to join the incredible staff at SWO!

A few times a year I will send a newsletter to all our families through the school newsletter. Please also follow @SWOLearningCo on twitter to see regular posts of what the students are exploring and learning together!

We are working on building an inclusive library learning commons that will be a dynamic, collaborative learning environment for discovery, creativity and inquiry, where all learners are welcomed, engaged and supported in their learning pursuits. It is a wonderful learning space in the centre of the school for all ages and a number of special projects and learning for different divisions and occasionally the whole school will be initiated from there.

We will also be working on expanding the library collection with even more relevant and recent books for the collection. We will be building the collection in both English and French in all sections of the library

Follow the learning in the LLC on twitter @SWOLearningCo

Scholastic Book Fair This Week! In the Learning Commons Oct 1 - 4

Orange Shirt Day EVERY CHILD MATTERS. Sept. 30, 2019 We read & explored some new Indigenous books in the LLC together & shared our hopes for reconciliation and for all children! including Everyone books, Fiction, Non-Fiction and Graphic Novels. Many students have already shared some of their wish list books with me for the collection! This is definitely an exciting community of readers!

Students will begin borrowing books the week after the book fair starting Oct. 7. Please help your children take good care of their library books and return them on their library day. If a library book is lost we would appreciate a replacement if possible.

Please don't hesitate to contact me to learn more or if you have any questions about our developing space and our learning together! I look forward to sharing this incredible journey with all of our students, staff and the community. Mrs. Wilkins

"I look forward to meeting all the SWO Families in the Learning Commons. Come in, enjoy the Book Fair and say hello!"

LIBRARY VOLUNTEERS NEEDED!

Looking for a few parents/guardians who are interested in helping in the SWO Library Learning Commons! We always need help organizing the book shelves, shelving books, helping with repairs, and organizing the Bookroom etc!

Book Donations? We are always looking for like new condition books to add to the Library Learning Commons. From the System LC: Please no board books, books older than 10 years, or books in rough condition. Books must also be appropriate for elementary age children.

Makerspace Materials? Donations needed here too! ask Mrs. Wilkins for details!
