Well, that was interesting!

It was a school year like no other. Sir William Osler students and families, you have successfully negotiated a challenging school year. Well done!

As we begin to plan for next year, please know that there are numerous committees and groups meeting across the HWDSB planning for different scenarios for September. We will be sure to communicate September plans when they are ready to go. We plan to communicate via School Messenger and Osler website in the 2020 - 21 school year. Please ensure that we have your correct e-mail address(es) on file. If you receive **School Messenger** e-mail updates from the school board (covid-19 updates, etc.), we have your e-mail address on file. Please use this link to subscribe to receive our school website updates:
