September 4th, 2020

Dear SWO Families,

We are excited about welcoming back students – in person and through remote learning to the 2020-21 school year. The pandemic has brought many changes to our school and its families, but I know that we can rise to the occasion in true SWO fashion! #SWOSoul

Thank you for keeping up with the communications coming from HWDSB and for completing important forms and surveys as required.

We are taking many actions to prevent COVID-19 at our school. You will notice that safety is guiding our programming choices. Here are some of the important points to remember:

Attestation

Before a student can enter a school, we require that their family completes an attestation that they have read, understood, and will abide by expectations. Find this on the [Parent Portal](#). ([Backup location](#) for forms and translations.)

Daily COVID-19 Screening

HWDSB COVID-19 Student Screening Checklist is to be completed daily before arriving at school. The checklist is found on the Parent Portal as well as on the [HWDSB website](#). If you answered YES to any of the screening questions, or if you refuse to answer the questions, the student has failed the screening and must not attend school. The family should contact Public Health (905) 974-9848 or their family doctor for testing. Please contact the school using [SafeArrival](#) to report the absence. If the student is tested for COVID-19, your school would appreciate knowing the outcome of that test.

New Routines and Protocols

School operations are changing significantly to ensure that we can provide a safe learning environment for students. We are finishing school-specific protocols and expect to post these **to our website** shortly. These will cover everything from parking lots, classroom set up, nutrition breaks, mandatory masks for students and more.

Water Bottles and Masks

Drinking fountains in all schools will be bagged and not used. Please be sure to send your child with a reusable water bottle so they stay hydrated, in addition to their non-medical mask.

Visiting Schools

This year, our school must significantly limit or even prohibit visitors to school, including parents, to support a safe and healthy learning environment. We ask families to call or email our school if they need to supply information or contact a staff member. Also, it is strongly recommended that parents do not drop off items during the school day.

Junior Kindergarten Orientation

Our Kindergarten staff have been busy preparing for our JK/SK friends! Our Kindergarten staff are finalizing plans for a two phase JK orientation this year. On September 10th or 11th, a virtual orientation will be scheduled. This will follow with an face to face touchless individual classroom visit. You should be hearing from your child's teacher shortly. Included will be SK students new to the school.

Elementary Reorganization

As you can imagine, organizing classes for this upcoming school year is a challenge. With inconsistencies with our actual student numbers, this process will continue through the weekend and we anticipate some classroom changes. Please note that we will not be able to entertain any classroom
