Dear Resident,

RE: Walkway that connects to Taylor Road

As you know, Hamilton-Wentworth District School Board is building a new Kindergarten to Grade 8 elementary school for 495 students, on the current C.H. Bray Elementary School site. We are sending this letter to make you aware of work taking place next week on the walkway that connects to Taylor Road.

The path to Taylor Road will need to be closed once again, beginning on Tuesday, August 4th, for construction of a retaining wall and for preparation of future paving. This work is expected to take approximately one week. Signage will be posted on site indicating the closure. We appreciate your patience.

As you are a neighbour of this walkway, we wanted you to be aware of the closure of the walkway, so that you can make alternate arrangements if you normally use this path.

For more information about the new Spring Valley Elementary School on the current C.H. Bray site, please visit our construction page at www.hwdsb.on.ca/construction.

If you have any questions or concerns, please do not hesitate to contact my office at 905-527-5092 ext. 2626.

Sincerely,

A handwritten signature in black ink, appearing to read 'J Macpherson', is placed above the printed name.
