Dear Resident,

**RE: Walkway that connects to Taylor Road**

As you know, Hamilton-Wentworth District School Board is building a new Kindergarten to Grade 8 elementary school for 495 students, on the current C.H. Bray Elementary School site. We are sending this letter to make you aware of work taking place next week on the walkway that connects to Taylor Road.

The path was closed on June 24 to allow required site connections. We had previously anticipated and communicated that the path would re-open on July 8, but ongoing unexpected site conditions have further delayed the re-opening until **July 13**. We apologize for the inconvenience and appreciate your patience.

As you are a neighbour of this walkway, we wanted you to be aware of the closure of the walkway, so that you can make alternate arrangements if you normally use this path.

For more information about the new Spring Valley Elementary School on the current C.H. Bray site, please visit our construction page at [www.hwdsb.on.ca/construction](http://www.hwdsb.on.ca/construction).

If you have any questions or concerns, please do not hesitate to contact my office at 905-527-5092 ext. 2626.

Sincerely,

Jane Macpherson  
Superintendent of Student Achievement
