Re: Parking at Pick-Up/Drop-Off Times

Dear Parents/Guardians:

In consideration for our direct neighbours, this letter is meant to remind the school community of the parking restrictions around the school, as well as the pick-up and drop-off expectations at entry and dismissal.

The parking restrictions are as follows:

1. There is limited legal parking along Dunham Dr. Please make sure you are aware of the signage and only park in legal areas. Do not park in or block the driveways along Dunham Dr. Do not use the circular drive of Carrington Place.
2. There is no stopping from 9 to 10 AM and 3 to 4:30 PM on Rembrandt Crt. and Lloyminn Ave. S., directly behind the school. There is clear signage and can be enforced with ticketing.
3. Do not use the mall for parking to do pick-up and drop-off. There has been a request from the mall management that we make the school community aware that the mall lot is not to be used for school pick-up and drop-off purposes.
4. Do not use the bus turn around area at any time nor enter the school parking area during entry and dismissal times.

We recognize that parking is very limited in our location. As a result, we remind parents that if your child has the right to bussing, this should be the method used to come to and leave school. If they do not have the right to bussing, then walking (Or riding bikes once the weather improves) is the best method of transportation.

As always, the safety of our students is our prime concern. Reducing the number of vehicles around the school increasing student safety. In addition, maintaining a positive relationship with our direct neighbours is an important part of community. The Spring Valley parents and guardians can do this by demonstrating respect for the adjoining properties. Your cooperation in this matter is greatly appreciated.

Sincerely,

Mr. S. Malcolmson

Principal (Temporary)
