**What We Raised — Together**

Through bake sales, pizza days, and community-driven events like our Spring BBQ and Big Yellow Bag fundraiser, we raised over **\$41,280** to directly support the experience of Spring Valley students — now and in the years to come.

⌘ Fundraisers included:

- Pizza, Subway, Popcorn & TCBY Days
- Krispy Kreme & Dough Raiser
- Bake Sale
- Big Yellow Bag Garden Fundraiser
- Spring BBQ & Picnic

**We Listened & Responded**

Following our survey of 105 families, we learned that parents care most about:

1. School safety
2. Bullying prevention
3. Quality of education
4. Online safety
5. Student mental health

☛ And we took action:

- Secured a **\$900 Parents Reaching Out Grant**
- Hosted two expert-led sessions:
  - ☞ *Anxiety and Your Child* (May 8) with Vince Martorelli
  - ☞ *Social Media & Online Safety* (June 23) with Paul Davis

**Building Connection Beyond the Classroom**

Throughout the year, your Parent Council tackled big topics like school safety and inclusivity, bike thefts, online wellbeing, enrollment, curriculum updates, EQAO and school-led initiatives like the creation of the innovation den and advancing the robotics club, and more.

**We Need You Next Year**

This year, we saw some of the strongest parent engagement yet — whether you helped at the BBQ, read our updates, joined a meeting, or donated your time, *thank you.*

☞ **Next year, we hope you'll join us again — even if it's just once.**

- Attend our first meeting September 25, 2025 to help shape priorities (stay tuned for more information mid-September)
- Volunteer at a fundraiser or event
- Share your skills or connections
- Be part of a subcommittee (even from home!)

Every hand helps!

#### **From All of Us — Thank You**

To every teacher, every parent, every student, and every volunteer: *thank you.* We know how busy life is — and how much is asked of you.

When you take time to connect with the school, whether for five minutes or five hours, it creates a ripple effect. It shows our children that their learning, safety, and joy matter — and that they are part of a caring, committed community.

From the bottom of our hearts, thank you for showing up. ❤
