June 19, 2018

Dear Families,

As you may know, students and staff evacuated our school this morning after there was a blown transformer in our neighbourhood.

This led to the loss of power in our building. It also set off our fire alarms. We followed protocols for the loss of power and evacuated the building to the park.

Emergency crews attended the school. They cleared the building for our re-entry by 10 a.m.

We expect our power will be restored after dismissal today (June 19).

Thank you for your understanding,

Kim Chute
Acting Principal
